

Here is another *EASY* way to help support Concord.

Dominick's is proud to partner with eScrip to support the education of youth. The new program offers us the opportunity to earn up to 4% of your purchases, year round.

All money earned through this program will benefit Concord's athletics. (We are looking to purchase new basketball backboards and rims.) You simply need to register your Dominick's Fresh Value card, shop at Dominick's with the card and earn valuable money for our school.

It's easy to get started! Register your card at www.escrip.com or stop in or call the school office and sign up on the Dominick's Fresh Values Card Log Sheet. Encourage your friends and families to register their cards for our school too!

Thank you for participating and helping to support Concord Lutheran School.
